THE CONCEPT

Decomposition: identifying the small jobs needed to achieve a bigger goal.

HOW WE LEARNED

Children explored animated pie, table, invitation, costume and game examples, then matched invitation jobs to one goal.

THE LEARNING GOAL

Identify the jobs a task needs and explain how each job contributes to completing the whole task.

Four jobs. One invitation.

Name: _____

Write Bear's name

This tells Bear who is invited.

Add the day and time

This tells Bear when to come.

Add the party address

This tells Bear where to go.

Give the invitation to Bear

Now Bear has the party details.
